2026 THANKSGIVING PIE PICKUP / FUNDRAISER FAQ

Delicious Orchards | Quick Reference

ENROLLMENT DEADLINE: Friday, September 25 | FINAL ORDER DEADLINE: Monday, November 2 at 4 PM

How do I enroll?

Email fundraisers@deliciousorchardsnj.com with your organization name, contact name (preferably one point of contact), email address and daytime phone number. Prior participants receive the August introductory email automatically. Check junk/spam folders and reply promptly; participation is **first come, first served** with limited openings.

Which pies are offered, and what do they cost?

Apple, cherry, pumpkin and pecan pies are **\$18.99 each**. Each pie is approximately 2 lb., 9 inches in diameter and packed in an individual 9 x 9 inch box.

What are the ordering requirements?

Order each flavor in multiples of 10 (one master case). The minimum pickup order is **20 pies**. Orders under 20 may be picked up in the store. For orders over 500, contact the fundraiser team as early as possible. A master case measures approximately 19 3/4 L x 10 W x 13 H inches.

How do I submit the final order?

Email the completed form once your numbers are final. **No changes may be made after submission.** Orders are accepted only for groups that received enrollment confirmation. The deadline is November 2 at 4 PM.

Are promotional materials provided?

No. Each fundraising group creates its own brochures, flyers or other promotional materials.

What should we charge?

There is no required resale price. The recommended range is **\$22-\$25 per pie**.

Where and when is pickup?

Delicious Orchards Mail Order Warehouse, **315 Route 537 East, Colts Neck, NJ 07722**, adjacent to Eastmont Orchards. Pickup is Monday-Wednesday before Thanksgiving, **November 23-25, 2026, from 8 AM-3 PM**. Request a preferred date/time on the order form; your assigned slot will appear on the emailed final invoice.

How and when do we pay?

Pay in advance or at pickup by cash, check, or major credit/debit card. No gift cards. Checks must be payable to Delicious Orchards for the exact order total. For card payments, Delicious Orchards will call before pickup.

What happens on pickup day?

Arrive at your assigned time with a copy of the invoice and empty vehicle(s). Early arrivals must wait. If using multiple vehicles, pull up one at a time. Bring tarps, heavy plastic, straps or bungee cords when weather may threaten the boxes; these supplies are not provided. Staff and your representative will jointly count full cases by flavor. The representative must sign that the order is complete and accurate. **After departure, Delicious Orchards cannot adjust claimed flavor or quantity differences.**

How should the pies be stored?

Because the pies contain no preservatives, refrigerate them or keep them in a cool location. Freezer bags are available at pickup upon request.

Why can't I order a partial case of one flavor?

Full single-flavor cases improve counting and distribution accuracy. Mixed cases have caused problems, particularly when loading multiple vehicles.

Questions? fundraisers@deliciousorchardsnj.com

2026 THANKSGIVING PIE PICKUP / FUNDRAISER
